

## Presale Extended

# FLANGE KING™ FLEX

*FlangeKing™ Flex is the latest evolution in our line of flange gasket removal and replacement tools. Made to stretch your budget and get the job done, Flex is all about adaptability. Just like its big brother, the original 1/8<sup>th</sup>-inch FlangeKing™, Flex features our trademark gasket hook, beveled edges and ruler with the flexibility of 16-gauge/4130 tool steel and a durable ceramic coating. Get ahead of the competition and order today for early January 2019 delivery.*

Gap Defender™ is our latest product making its way to market. This silicone truck accessory is made to fill the gap between the tailgate and truck bed, creating a smooth surface for hauling and moving. Gap Defender™ keeps your truck bed free of debris and dolly wheels from tripping when moving heavy objects like appliances or furniture. Learn more when you visit [gapdefender.com](http://gapdefender.com).
